

**Seats, headlining
door panels and
carpets**

11

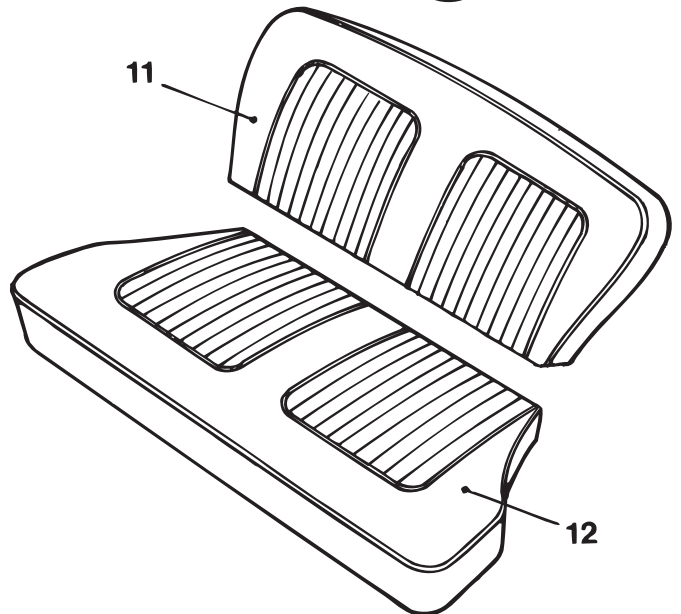

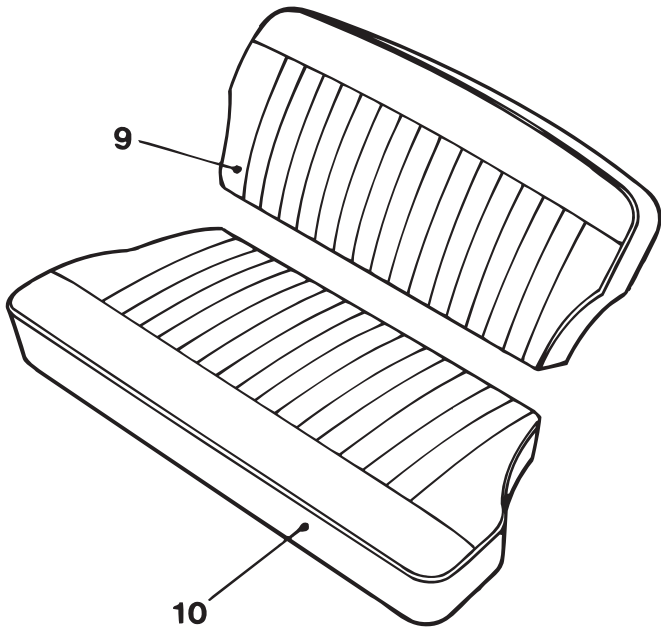

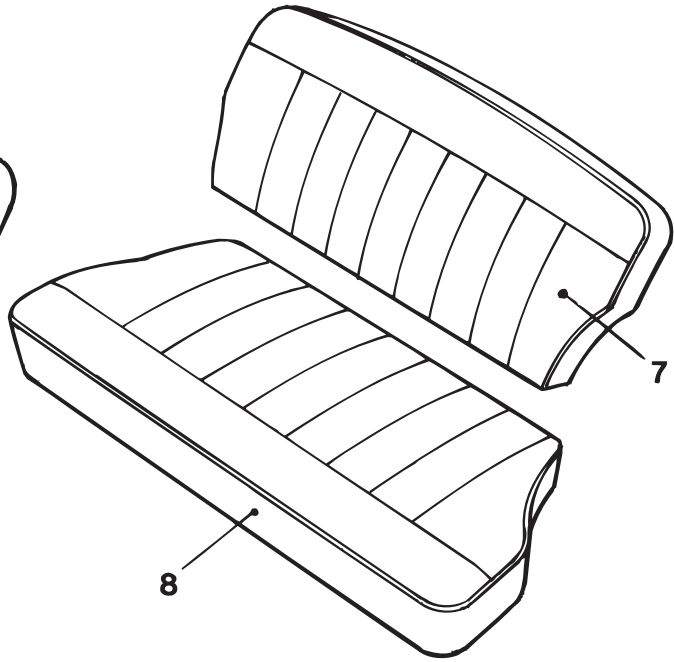

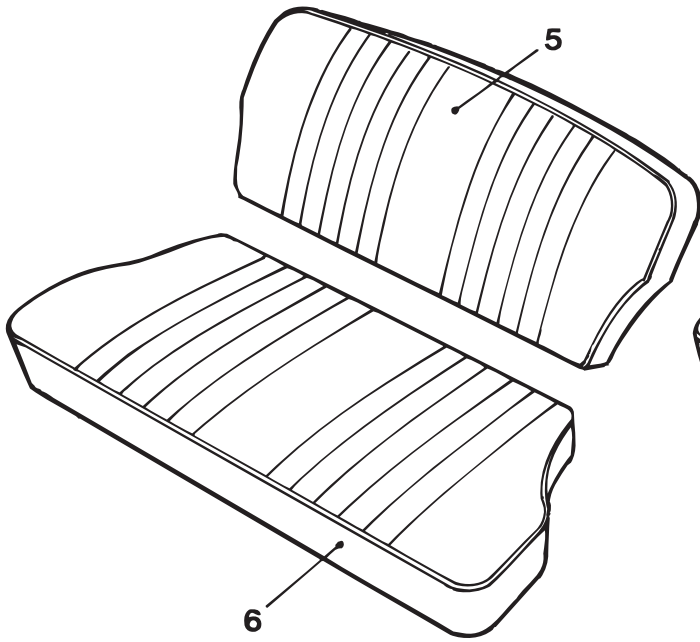

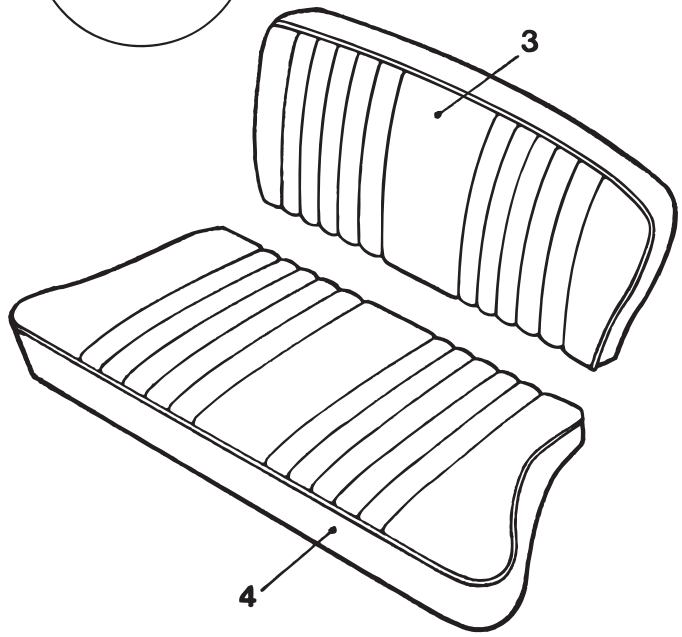

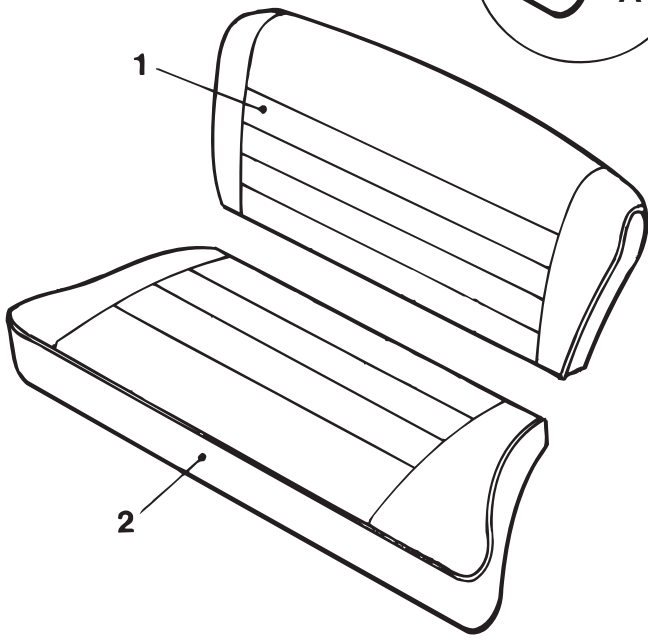

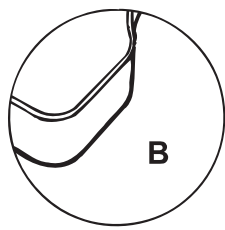

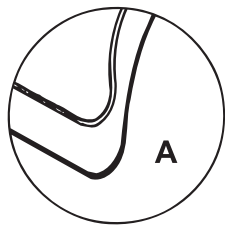

As there were so many interior colour and style variations enquiries should be made using page headings and illustration numbers as a reference. A small sample of fabric (taken from underneath a seat, for instance) will help us to colour match pre - 1964 upholstery. Also please indicate type and year of vehicle and where necessary, colour.

Part Number	ESM Order Ref.	Illus. No.	Description	Remarks
